

Interviewers Notes & Talking Points

Podcast Introduction: Lorri Brewer

Example 1 — NDE Focus

“Today’s guest actually died — and came back. Lorri Brewer is a Near-Death Experience survivor and bestselling author who teaches people how to rebuild life after crisis.”

Example 2 — Recovery Focus

“She rebuilt her entire life after dying in 2010, and now teaches others how to do the same. Lorri Brewer is here to talk about emotional recovery, intuition, and designing a life you love.”

Example 3 — Spiritual + Practical

“She blends spiritual insight with real-world clarity. Lorri Brewer is an NDE survivor, clarity teacher, and the author of the upcoming book *The In-Between*.”

Example 4 — Specialty Angle

“She’s one of the only people in the world teaching both NDE recovery and the emotional energy of stigmatized homes. Lorri Brewer brings a perspective you’ve never heard before.”

Audience Takeaways:

- ✓ A grounded understanding of what NDEs actually feel like
- ✓ Emotional tools for navigating life after trauma
- ✓ Clarity, purpose, and meaning-making strategies
- ✓ How intuition works (without fear or theatrics)
- ✓ How to rebuild your identity after a life-altering event
- ✓ The difference between spiritual awakening and instability
- ✓ Why some homes feel “heavy” — and how to shift the energy

Sample Interview Questions for Lorri:

1. What is the first thing you remember after your heart stopped?
2. What is “The In-Between,” and how did it change your understanding of life?
3. What are the emotional aftereffects of an NDE that no one talks about?
4. How did your intuition change, and how did you learn to navigate it safely?
5. What was the hardest part about coming back?
6. Why do NDE survivors struggle in silence — and how can they recover?
7. What does it *really* mean to “design a life you love”?
8. What signs did you experience after your NDE — and how did you interpret them?
9. What is the most misunderstood thing about intuition?
10. How can someone rebuild their life after loss, trauma, or awakening?
11. What inspired you to create the NDE Recovery Program?
12. What is Haunted But Home™, and why do stigmatized homes affect people so deeply?

Interviewers Notes & Talking Points

Interviewer Briefing Notes:

- Lorri is emotionally open but grounded — she does not dramatize.
- She is comfortable discussing death, transition, and The In-Between with clarity and compassion.
- Avoid overly theatrical or paranormal angles; she approaches everything from lived experience and emotional truth.
- Lorri is excellent at offering practical insights listeners can use immediately.
- Sensitive topics are not triggering for her — she teaches them regularly.
- Good story telling and speaking ability
